

Yellow/black steel post on yellow base - 2230131

Technical Spreadsheet

▶ WHERE TO USE IT ?

Deny easily and quickly the access for an internal or external use. Very easy to use.

These steel posts can be installed to avoid the access to forbidden or dangerous areas.

Very easy to assemble.

▶ THE ADVANTAGES

Easy to install but as well easy to remove.

Its large steel base of Ø420mm allows a very **efficient stability**.

The steel post is equipped with a **plastic cap and open hooks** which allows and **easy fixing of the chain or the rope**.

Furthermore it is possible to **add an adaptor (BS40) to facilitate the fixing of any sign**.

Many different post or chain colours are available and online on www.novap.fr.
